

(c) Remarks

Claims 1, 2, and 4 are presented for examination, in which claim 1 is the sole independent claim.

On May 7, 2008 the Examiner in charge of the subject application called the undersigned to propose that chemical formula (11) of claim 1 be cancelled since the claims were deemed otherwise allowable based on the Amendment filed on March 19, 2008. On May 8, 2008 the undersigned called the Examiner to acquiesce in that course of action.

In view of the foregoing amendments and remarks, Applicants submit that the present application is now in condition for allowance. Accordingly, it is respectfully requested that the claims be allowed and the case passed to issue.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,

/Peter Saxon/
